

CHRIST'S CHURCH
OF THE CANYON

Week of May 24, 2020

Mid-week devotion

With the President's announcement last week about people getting back to "normal", and he specifically mentioned churches, it behooves us at Christ's Church of the Canyon to pray specifically for our Governor and the Superintendent of Snowline School District. They need some extra wisdom in regards to when we can get back into the school. So...we pray...and...we wait. Psalm 40 is one of my favorite Psalms not just because of what it says, "I waited patiently for the LORD; He inclined and heard my cry", but because the group U2 put the Psalm into a song. To wait patiently carries with it the idea that there is an "expectation" in the waiting. Kind of like Christmas Eve when you're about 8 years old. Even though when you think you've waited long enough Mom and Dad say, "You gotta wait just awhile longer!" "He inclined and heard my cry", which means He extended His neck towards me. Realizing of course that GOD has no body, but desires us to know Him from an earthly perspective, He "cranes His neck" to watch us. He's very interested in us and in all aspects of our life. GOD knows and at the appointed time it'll happen. Keep praying, expecting, and we'll watch GOD work!

- Pray for folks in our church who God is getting ready to do some really great things.
- Pray for our country and its leadership.
- Pray for the Governor and the Superintendent.
