

**CHRIST'S CHURCH**  
OF THE CANYON

Mid-Week Communication

May 9, 2021

Starting Sunday, May 23 Christ's Church of the Canyon will be returning to Wrightwood Elementary School for all of our services, 9AM and 11AM.

Please help us by making sure that you pass the information on about meeting at the school beginning Sunday, May 23. The Snowline School District Superintendent Dr. Ryan Holman as well as Principle John Garner and the whole Wrightwood Elementary staff have all been extremely gracious and excited about our return. I'm excited too!! Moving back to the school gives us a bit more space, closer to town, and it's cost effective. Again, please pass on the word to those who you know about the move, Sunday May 23. No need to bring your lawn chairs, we'll be meeting indoors and exercising social distancing along with wearing masks.

Best Blessings,

Pr. Wayne
